**THIS STATEMENT MUST BE TYPED OR LEGIBLY PRINTED IN BLACK INK ONLY
ILLEGIBLE STATEMENTS WILL BE RETURNED WITHOUT BEING FILED.**

GENERAL INSTRUCTIONS

- Review the form to make sure the information is legible. ILLEGIBLE INFORMATION WILL RESULT IN A REJECTED FILING.
- Verify the information on the form for accuracy and correct spelling.
- If the space provided for any item on this form is inadequate, use up to four additional pages.
- **This form is an EFS unless the Statutory Lien box is marked. A statutory lien is filed by the lienholder (i.e. veterinarian, crop sprayer, landlord) to protect their security interests for services or materials rendered. Pursuant to 336A.01, subd.11, a farm products statutory lien is one arising under one of the following sections of Minnesota Statute: 336.9-102(a)(5), 514.963, subdivision.3, 514.965, subdivision 2; or 514.945.** A statutory lienholder has the right to put conditions on the release or waiver of the lien which support this filing. Use the space provided to describe any such conditions. For example, the lienholder may require that a joint check be issued to all involved parties.

SPECIFIC INSTRUCTIONS

DEBTOR NAME: Boxes 1-3

Provide the true and complete name of the debtor. Initials, abbreviations are not acceptable. List individual debtor names and business debtor names in the appropriate boxes. Failure to do so will result in a rejected filing. The debtor name will be indexed exactly as it appears in the debtor box. **A social security number or tax identification number is required for each debtor name listed on an effective financing statement. A statutory lien does NOT require an SSN/FEIN number.** Provision of social security number or Federal ID number on the CNS form may require this notice according to federal and state law: The disclosure of the social security number or Federal ID number on this form is required under state law, Minnesota Statutes Section 336A.03, subd.2 (a)(4). The information will be used to distinguish between individuals with the same or similar names who have records about financial transaction filed with the secretary of state. Failure to provide the required information will prevent the filing of the Central Notification System documents and may ultimately prevent the debtor from receiving a loan or the accrual of other benefits pursuant to the document. NOTE: Effective 10/31/2010, pursuant to Minnesota Statutes 336A.14, a Social Security number (SSN) maintained by the secretary of state under this section is private data on individuals or nonpublic data as defined in section 13.02, and therefore the SSN will be redacted on the file stamped copy returned to you. As a result of the law change effective 10/31/2010, pursuant to 336A.08, there will be a Unique ID assigned to each debtor in place of the SSN/FEIN. This unique ID information will be provided to you along with your stamped copy. Please keep this information for your records for future verification. Persons or entities authorized to receive the social security number information include those persons in the office of the Secretary of State whose work assignments reasonably require access and those who are authorized by the individual with the affected social security number.

DEBTOR ADDRESS: Boxes 1-3

Provide a complete name and mailing address for each debtor name listed.

SECURED PARTY: Box 4

Provide a complete name and mailing address for the secured party or lienholder.

Describe each farm product listing:

4. **County Code:** The name of the county where the farm products are produced or located must be designated by using the two-digit county code provided by the secretary of state. **The table of county codes is on page 3.**
5. **Property Description:** Provide township, range and section information, if applicable.
