INSTRUCTIONS

File your business document online by visiting our website at www.sos.state.mn.us.

Retain the original signed copy of this document for your records and submit a legible photocopy for filing with the Office of the Secretary of State.

- 1) You must submit one specimen or facsimile of the mark as you have actually used it in commerce. Copies are acceptable. A typewritten statement of the mark would not be acceptable, since it would not have been in use with the public. Acceptable examples would be a business card, letterhead, clipping from an advertisement, label, picture or copies of such materials.
 - 2) State the words or phrase to be registered, if any. The words or phrase must be listed exactly as it appears on the specimens submitted with this application. A separate application is needed for each phrase to be registered.
 - 3) Provide a **written** description of the **logo design** to be registered, if any. This description must depict the design as it appears on the accompanying specimen. Only one logo design is permitted per application. If none, leave blank.
 - 4) Indicate the classification number under which this mark falls. A list of the international system of trade and service mark classifications is available from the Office of the Secretary of State. Leave blank if unknown and this office will fill it in.
- A separate application and fee is required for each classification in which you wish to register a mark.**
- 5) State the SPECIFIC goods or services represented by the mark. DO NOT use indefinite terms, such as “accessories”, “products,” or the like. Use language that would be readily understandable to the general public. For example, “t-shirts” or “dry cleaning services”. The identification of goods or services must NOT describe the mode of use of the mark, such as on labels, stationery, business cards, menus, signs or in advertising. If the applicant identifies the goods or services too broadly as, for example, “advertising and business,” or just “products,” or “services,” the application will be returned.
 - 6) State the way the mark appears on the goods, i.e., “on containers,” “on tags or labels affixed to the goods”, “by stamping it on the goods”.
 - 7) In order to register a mark in Minnesota, it must have been used commercially prior to registration. List the date the mark was first used in Minnesota. If it has not yet been used in Minnesota, you cannot register the mark with this office.
 - 8) State the name and complete address of the applicant. If the applicant is an organization, list the home jurisdiction and the principal place of business in the home jurisdiction.
 - 9) A signature of one markholder listed or an Authorized Agent (The signing party must indicate on the document that they are acting as the agent of the person(s) whose signature would be required and that they have been authorized to sign on behalf of that person(s).) is required. Include the date, printed name of the person signing, and the title of the signer.
