- Follow the instructions on the ballot.

If you have a disability or cannot mark your ballot, your witness may assist you by marking your ballot at your direction, assembling the materials, and filling out the forms for you.

When signing the envelope, Minnesota law says you may:

- Sign the return envelope yourself, or
- Make your mark, or
- Ask your witness to sign for you in your presence. (Have the witness sign their own name as well.)
- If you have adopted the use of a signature stamp for all purposes of signature, you may use your signature stamp or ask your witness to use your signature stamp in your presence.

Please note: Voting is not covered by power of attorney. A person with power of attorney may only sign for you in your presence, as outlined above.

Confidentiality Notice: Your name and address is available to the public when used for elections, political and law enforcement purposes. Otherwise, the data you supply on your signature envelope is restricted to election officials until 8:00 p.m. on Election Day. After that time, your envelope and the data on it, other than your identification number, are public information. Your ID number is required to ensure that the ballot is returned by the same voter who applied for it. You may refuse to provide it, but doing so may lead your absentee ballot to be rejected and will prevent you from checking on the status of your absentee ballot online.
