Entities that own, lease, or have any financial interest in agricultural land or land capable of being farmed must register with the MN Dept. of Agriculture's Corporate Farm Program.

Does this entity own, lease, or have any financial interest in agricultural land or land capable of being farmed?

Yes No

Our organization is a Specific Benefit Corporation. We seek to assist the non-profit sector in our region.

We do this in many ways, including:

- Weekly (52—conduct these even when on vacation) pro-bono consulting to individuals who would like to become involved in the non-profit sector. We assist these individuals in thinking about how they might best connect with the sector, and help them with an action plan for how to move into non-profit work.
- Networking meetings (75+) each week with non-profit leaders who seek our advice or hiring, planning and career management.
- Writing and sharing articles for leaders in the non-profit sector.
- Pro-bono speaking engagements (12) to large groups of professionals in a job transition.
- Participate in leadership positions with non-profit organizations, ie expert judge for “50 Over 50” award, lead award committee for Capella University scholarship. Also sit on non-profit boards such as Tubman and Children’s Home Society.
- Promote jobs pro-bono for non-profit clients. We do this every month.

The board of directors of Ballinger | Leafblad actively plans and executes these activities.
