Vocation Crowd, 2019 Report

Our focus continues to be delivering the mission of “Vocation Freedom” which our venture is designed to do. “Acting in our Catholic faith and our belief in Jesus Christ, we establish this robust venture to enable an increase in the Catholic-defined “vocation freedom” of our member’s and support them in answering God’s calling to their specific vocation, career and profession, be it priest, religious, single or married life and/or roles in the broad Catholic workforce, through an inspiring range of education, support and services and by assisting in higher education planning, financing, restructuring and relief”.

In 2019 we created our new website. The website upgrades will include a member portal for individuals to become members and to execute on membership purchases. It will also include a crowdfunding portal of our own to raise donations. This is like a “GoFundMe” portal without the costs of the established crowdfunding portals.

We expect that the membership drive will generate the revenue to pay our current and outstanding obligations and take the project to full implementation.

Priority for 2020: Restart Vocation Crowd Inc. with an initial service as a financial counseling and debt counseling gateway for Certitude Loan Program and Vocation Award Programs; Hire & develop a Board and a Leadership team, Complete regulatory certifications with appropriate agencies. Once established, build an Alliance of Vocations Affiliates, Align Programs to support Campus “Culture of Vocations
