La Dona Cervceria
Public Benefit Report
March 17th, 2021

La Dona Cervceria operated as a specific benefit corporation in 2020 for our 3rd year. Our articles of incorporation describe our specific benefit as "supporting the Latino community of Minnesota and providing support to social, economic and environmental issues that affect the larger community." In support of this mission this year we supported local charities with small donations of products for silent auction as well as the Ronald McDonald house. We also provided some \$500 worth of meals to residents of an encampment that set up near our location. We spent lots of time and energy hosting meetings important to the community and also provided our parking lot as a pick up location for food and medical supplies.

We were massively hindered in our pursuit of our specific purpose due to the COVID-19 Pandemic and resulting government shutdowns. Our operations were significantly reduced and our revenue was down from 2019 by nearly 70%. We were required to shutdown during both of the shutdowns and that was massively difficult to overcome. We still managed to accomplish some benefit and we are proud to still be standing in this community after the pandemic and unrest in Minneapolis.

This report has been reviewed and approved by the La Dona board of directors.

Thank you,

Sergio Manancero, President and CEO
