2020 Annual Benefit Report for First Aid for Nurses, SBC

In 2020, our intent for First Aid for Nurses was to further the mission of providing support for nurses under stress in Minnesota. Given the impact of the Covid-19 pandemic, it was very difficult because of the numerous limitations related to safely gather because of the corona virus. In short, we were not able to make significant progress as planned. If the Corona virus subsides this year, we anticipate that 2021 will be a more successful year than 2020, in helping nurses with managing stress.

The board of directors have reviewed and approved this report.
