Annual Benefit Report

Calendar Year 2022

A Minnesota Specific Benefit Corporation

Prepared March 2, 2023

OfferingTree's History

OfferingTree was incorporated on January 6th, 2016 as a Specific Benefit Corporation under the state of Minnesota. OfferingTree was founded around the need to help fitness and wellness providers cultivate a sustainable career in serving people through their passions. In our history, OfferingTree has helped thousands of providers serve hundreds of thousands of individuals with their health, wellness, and fitness needs.

OfferingTree's Mission

OfferingTree's mission, as stated in our Articles of Incorporation, is to further wellness education and access. OfferingTree accomplished this mission in 2022 with the following key activities.

Key Activities

Helping Fitness & Wellness Providers to Better Serve Their Community

In 2022, OfferingTree SBC continued to develop an integrated, easy-to-use online platform that supports wellness professionals in earning a livelihood and serving their clients' / students' needs. We added many key features and product improvements with the most notable being professionally designed page templates. These page templates dramatically reduced the overhead of creating a website which made our platform more accessible for time-crunched and tech-averse providers.

Education

OfferingTree SBC published 21 educational blog posts written by experienced blog writers in order to provide useful and reliable information to providers struggling to manage the administrative and business aspects of their business.

OfferingTree SBC presented 19 free, online educational webinars in partnership with experts in the wellness space in 2022. There were thousands of people who took advantage of these educational opportunities.

OfferingTree SBS has sponsored events and podcasts run by educators and influencers in health, wellness, and fitness. These organizations provide training and educational content to other service providers in the industry.

Challenges

OfferingTree SBC would have liked to do more educational webinars and events in 2022, but the lack of resources made it difficult to support these efforts. We hope to allocate more resources in 2023 to host an increased number of educational opportunities.

The OfferingTree team is excited to continue its work in 2022 to further wellness education and access.

I, the undersigned, certify that I am the chief executive officer of this public benefit corporation. I further certify that I have signed this document no more than 30 days before the document is delivered to the secretary of state for filing, and that this document is current when signed. I further certify that I have completed all required fields, and that the information in this document is true and correct and in compliance with the applicable chapter of Minnesota Statutes. I further certify that the Board of Directors of OfferingTree, SBC has reviewed and approved this Annual Benefit Report.
